

The Night of the
Tiger

By the tiger was
wandering around the
Jungle. He was scared
because he was lost. ①

The next morning he
climbed the mountain

For a better look.

All the sudden rocks
fell and knocked him
down.

Lucky, for him a cheetah
saved him in the
nick of time. Speedy
took Ty back to the
cheetah family den.

3

Ty had fun playing
with his new cheetah
friends. They climbed and
played games but Ty
still missed his
family

4

Ty spent the night
and had good dreams
about his dad, mom,
brothers and sisters.
Explorers captured Ty and
the cheetahs in the night.

They snuck up and
took the grown ups and
kids to the city. They
trapped them in a cage
in the zoo. The very
next morning Ty stole
the keys with jaws and
they escaped. They ran
and ran and finally
made it home to the
mountain but it was winter
he slipped on the ice. (6)

ROAR

Just when he thought he would
NEVER make it home, he
heard his dad roar. Ty
followed the mighty roar
back to the jungle. The cheetahs
made sure he made it home
safe and sound. The end. (7)
