

What if the world was just
one color?

By Caity Plumlee

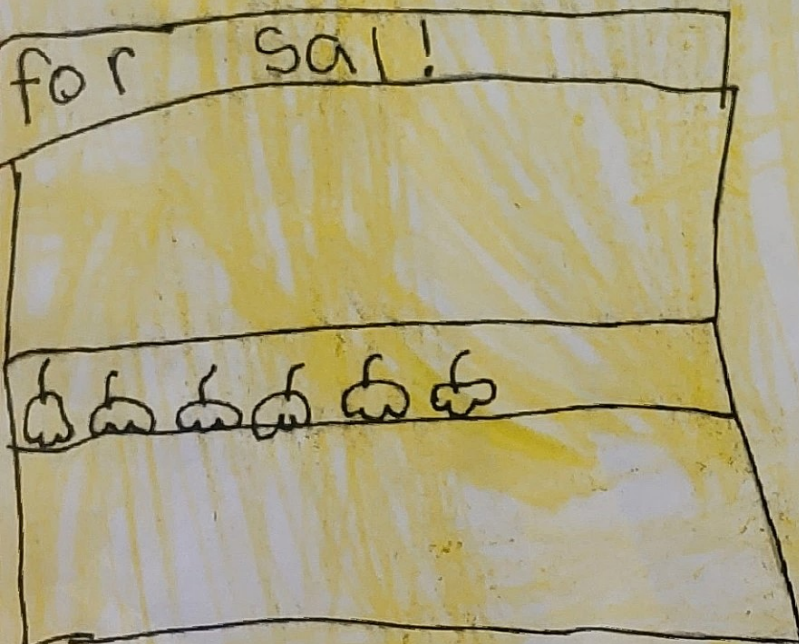

What if the world was
just red? Strawberries
I f would look like
everywhere!

what if the world was just
orange? It would look like
orange carrots everywhere!

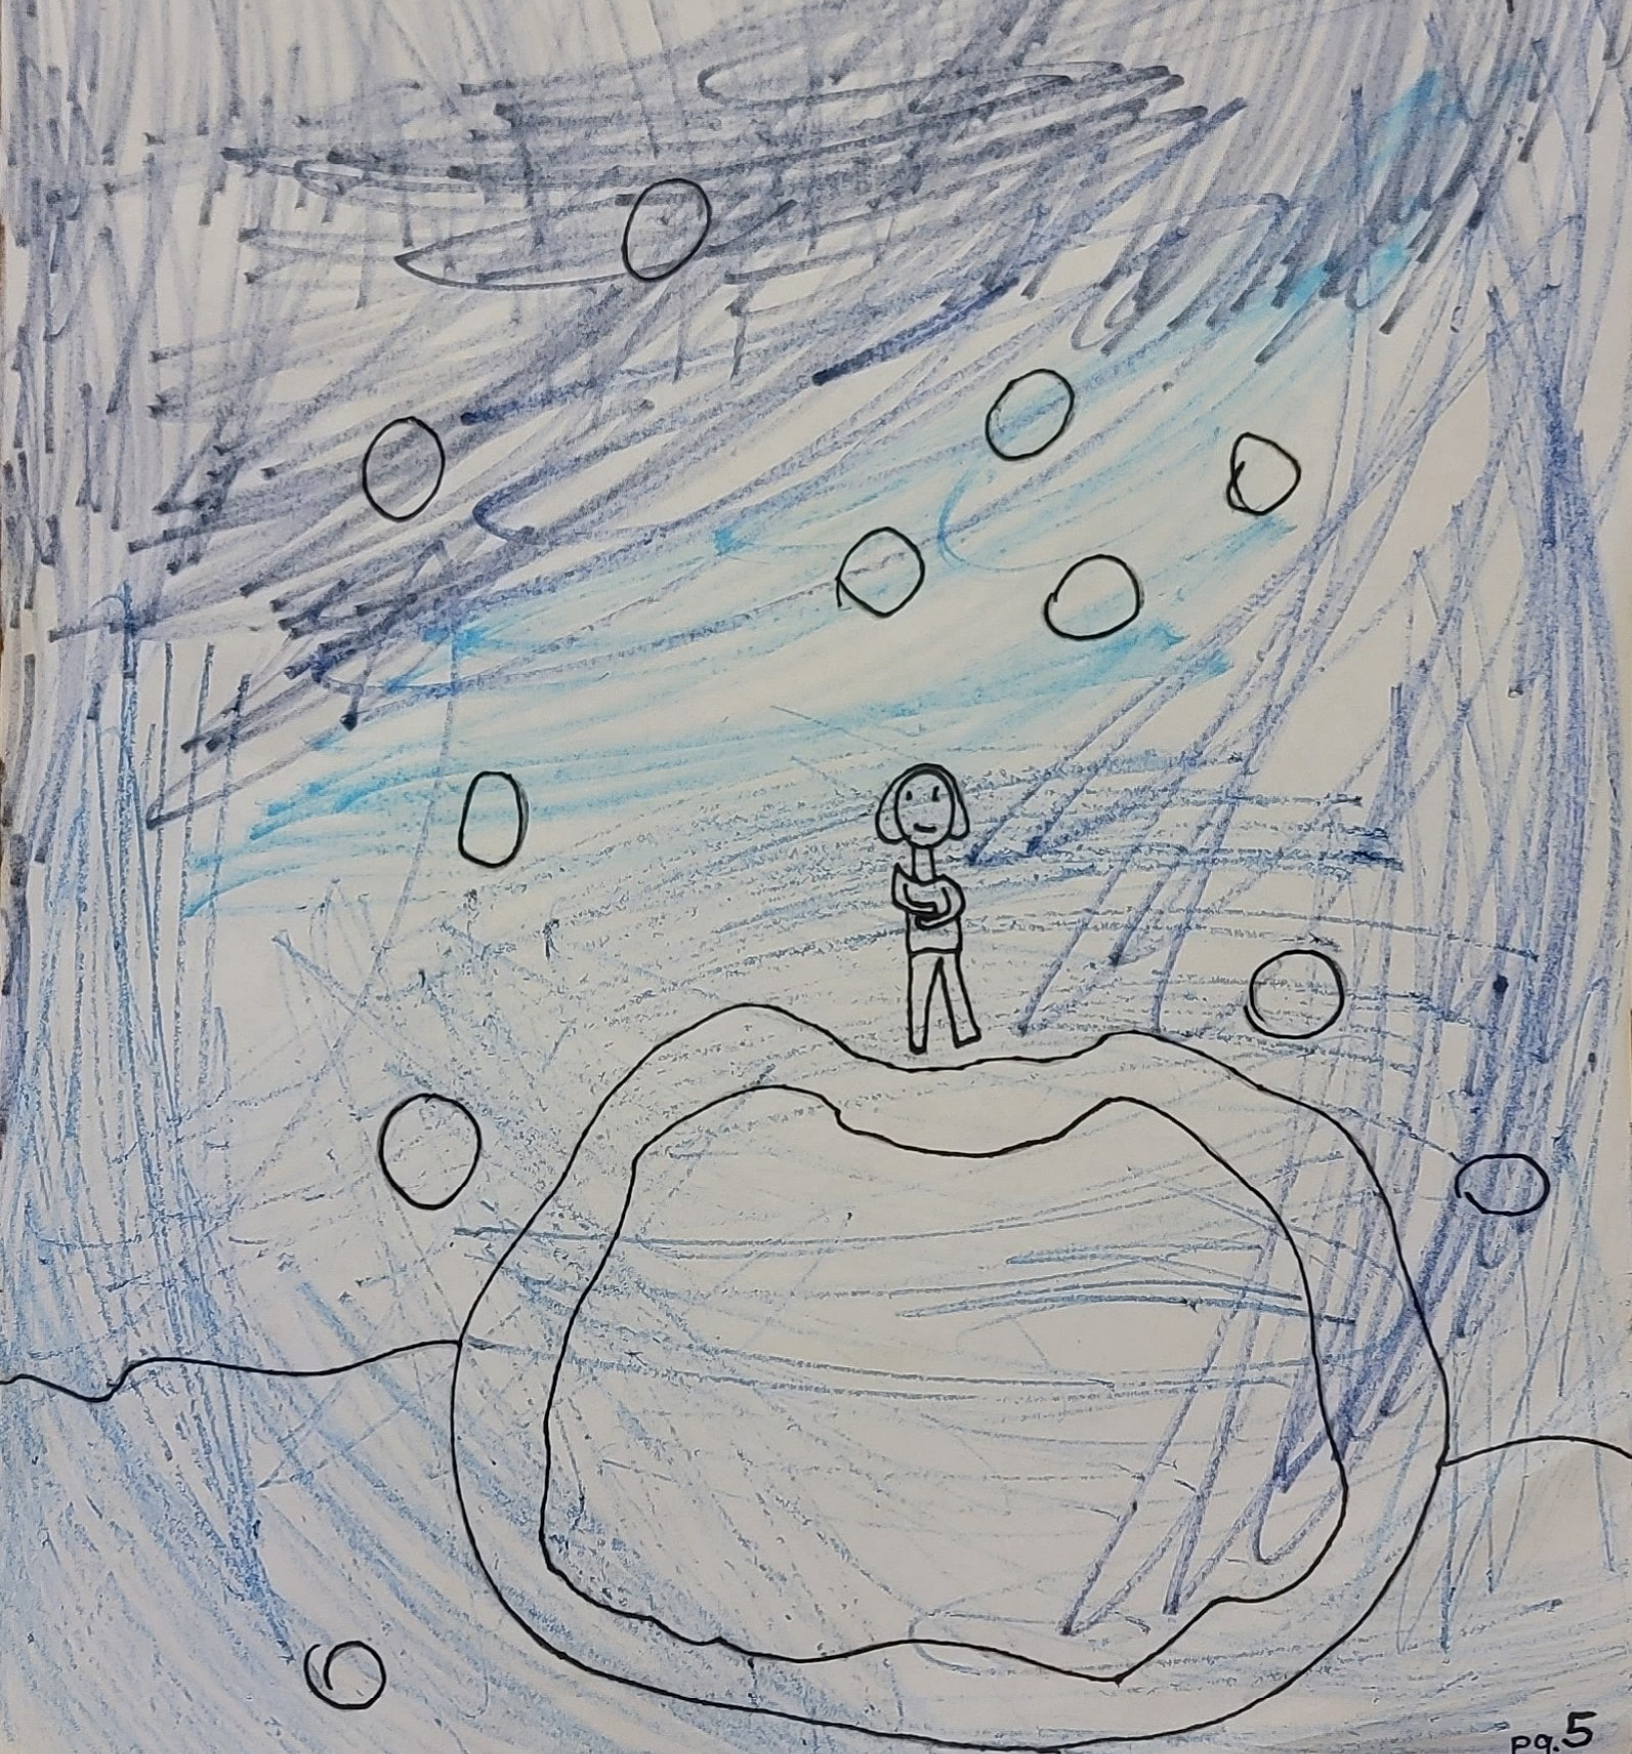

what if the world was
just yellow? It would
look like yellow peppers
everywhere

What if the world was
just like green? It would look
like this!

What if the world was just
blue? It would look like
blueberries everywhere!

What if the world was just purple
It would look like purple grapes
everywhere!

but I dont like just
Whun Culr...

I like rainbows!

The End
